

Zagreb City Assembly

Brussels, 16 February 2023

Subject: The European Social Network Membership

Dear members of the Zagreb City Assembly,

On behalf of the European Social Network (ESN), I am writing to confirm our acknowledgment of the interest expressed by the representatives from the City Office for Social Protection, Health, Veterans, and Persons with Disabilities of the City of Zagreb to become **Council** members of the ESN.

The city office in Zagreb has been a **member of ESN since 2019** and is one of the most active members of the Network and has brought valuable contributions to the activities of ESN.

The City office is currently a **Core** member of ESN. Becoming a Council member would require further involvement and engagement in the strategic development of the Network. The Council consists of around 20 members and meets twice per year to discuss main the developments and updates of the Network. The Council of ESN elects the ESN Board of Trustees.

We welcome the application from the City Office for Social Protection, Health, Veterans, and Persons with Disabilities of the City of Zagreb to become **Council** members and are looking forward to further successful cooperation.

With very best wishes,

A handwritten signature in black ink, appearing to read "Alfonso Lara Montero".

Alfonso Lara Montero,
Chief Executive Officer
